USE OF COOKIES AND ACTIVITY FILE

PUNTO GOFRE uses cookies when a user browses the Web sites and pages of the website. Cookies are files sent to a browser by a web server to record the activities of the website user.

Thanks to cookies, it is possible that the server recognizes the **PUNTO GOFRE** computer browser used by the user in order to make navigation easier. The user has the possibility of configuring his browser for more information. To use the website, it is not necessary that the user allows the installation of cookies sent by www. **PUNTO GOFRE**

The same way, the **PUNTO GOFRE** web servers automatically detect the IP address and the domain name used by the user. All this information is recorded in a file server activity that allows the subsequent processing of the data in order to obtain statistical measures that provide insight into the number of page impressions, the number of visits to web services, etc. We also use pixel tags (tiny graphic images that tell us which parts of the site are visited or to measure the effectiveness of searches customers perform on our site). The information is incorporated into an automated file owned by **PUNTO GOFRE** and previously communicated to the Data Protection Agency.
